

Product Group MFSA

Machine feet made of painted steel base with zinc-plated steel screw and antislip pad (A)

Standard Colours

- daffodil yellow RAL 1007

Material

- Thread: zinc-plated steel
- Base: painted steel
- Antislip pad: NBR 70 Shore

Product information

- The machine foot can compensate for uneven floors up to 10°.
- The load capacity of the screw (buckling length!) may be less than indicated in the table.
- Especially for large machine construction

Product options on inquiry

- Delivery with additional steel nut possible.
